

CONSOLIDATION ONLY ANSWER IS OF DENVER LEGAL

**S. Supreme Court Refuses to
Act in County and
City Fight**

**MUNICIPAL OFFICIALS ARE OUT
Over Extra Work Change
to Affect Employees**

DENVER, Oct. 23.—Refusing to act in the Denver city consolidation case, the United States supreme court by its action today made final the decision of the Colorado state supreme court, filed down last May declaring the consolidation legal and holding that county commissioners and other municipal officers do not exist in the consolidated city and county as provided by amendment to the state constitution.

The litigation was instigated by the number of commerce in the name of people and the first suit was filed against Dr. Elizabeth Cassidy, a P. Quartermaster, Thomas Henry, in Princeton and Joseph Walsh, acting as county commissioners. The case was filed in July, 1910, and passed upon by the state supreme court last May, having been one of the most bitterly contested cases ever before that tribunal. It was carried to the United States supreme court by Dr. J. Hervey, counsel for the county commissioners, upon a writ of error, although primarily directed at the misgivings the suit was accepted as a case affecting every office holder in the county who was not regularly elected or who had been appointed by the adoption of the present city charter.

Abolishes Several Offices.

The ruling of the state supreme court virtually abolished the juvenile court, the office of county assessor, the office of county commissioners, the office of county engineer and the office of county attorney.

Attorney Henry Lindley, who has been acting as county assessor, is now acting as county clerk and recorder, and the office of county clerk and recorder is now acting as county assessor.

Under the charter two branches of county court are provided for and of these branches may be given addition over juvenile matters, although the charter is silent upon this point.

The three justices of the peace, appointed by the county court, are now appointed by the county commissioners, and the county court is now acting as a court of appeals from the decisions of the justices of the peace.

INSULT HE SAYS PRESIDENT WORKED UP OVER SUPREME COURT

**Vehemently Denies Charge He
Aimed to Emasculate
Antitrust Law**

ABERDEEN, S. D., Oct. 23.—In a speech before the Aberdeen Commercial club, here tonight, President Taft replied with feeling to the charge that he had set up the supreme court with the idea that it was to emasculate the Sherman antitrust law, and declared again his intention to have that law enforced to the letter.

The president referred to the criticism of the supreme court's ruling in the Standard Oil and Tobacco cases, and declared that nothing could be further from the fact than the charges that the statute had been made ineffective. The supreme court, he said, had declared that any restraint of trade or combination for the purpose of suppressing competition and controlling prices was an inhibition of the law.

"I have challenged, and I challenge again," he shouted, "any person to cite a case that he would condemn as a violation of the antitrust law that would not be condemned under the decisions of the supreme court. As yet I have heard no reply."

"Only Answer An Insult."

The only answer that has come has been an insult to the court and an insult to me. It is the charge that I set up the court with the purpose and understanding that it would emasculate the statute. Oh, gentlemen, there is not the slightest foundation for that.

"I am proud of the men that I have put on that court. I am proud to have found men with a standing as high as they take places on that bench, and I am willing to abide by the record that they have made and that they will make."

The Republican regulars and insurgents of South Dakota joined forces.

FIRST HYDE VENIRE DECLARED ILLEGAL

**Entire Number Dismissed and
Court Orders 100 New
Names Drawn**

KANSAS CITY, Mo., Oct. 23.—Alleging that the venimen called for the second hearing of Dr. E. Clarke Hyde, charged with murdering Col. Thomas H. Swope, were summoned illegally, attorneys for the defense at the opening of the case today, obtained the dismissal of the entire number.

An order was then issued by presiding Judge Porterfield, that 100 new names be drawn and the venimen report for examination at 1 o'clock tomorrow afternoon.

The defense set up in its motion several reasons for the charge that the venimen had been called illegally. One of these, which was sustained by the court, that Marshal Masten, who called the venimen, is prejudiced, may figure prominently in the case. The defense has been trying for weeks to get the venimen dismissed.

Mrs. Hyde ignores Mother.

The court room was almost full of people when Dr. and Mrs. Hyde arrived. They walked within a few feet of Mrs. Swope before noticing her. Then Mrs. Hyde turned her back to her mother and began to talk with the accused physician.

A special effort is being made by all attorneys concerned in this trial to make speed. A force of deputy marshals worked until late last night serving the last of the 200 special venimen from whom the jury will be selected. It was thought today the jury box would be filled by the end of this week. The entire trial will not last more than three weeks.

The defendant is represented by Frank F. Walsh, John H. Cleary, R. R. Brewster, W. T. Johnson and John H. Lucas, United States Senator James A. Reed acting as special prosecutor, assisting Prosecutor Virgil Conkling, Attorney John H. Atwood, who was employed by the Swope heirs to aid the prosecution at the first trial, has not been retained in this one.

DR. MULLINS GIVES OPENING ADDRESS

Principal Speaker at First Session Annual State Baptist Convention

The first meeting of the twenty-ninth annual state convention of Baptist churches of Colorado convened in the auditorium of the First Baptist church last evening. In the absence of the Rev. E. T. Cassell, the Rev. F. B. Palmer of Boulder led the devotional exercises.

The Rev. W. F. Ripley of Las Animas offered the opening prayer, after which the choir of the entertaining church gave special music. The praise service was appropriate and full of spontaneous expression. Mrs. H. H. Seidomridge gave a splendid soprano solo, "God is Working His Purpose Out," followed by a special prayer by the Rev. T. P. Stafford of Canon City for the speaker of the evening, the Rev. E. Y. Mullins, D. D., who was introduced by the Rev. J. H. Franklin.

Dr. Mullins is president of the Southern Baptist Theological seminary, Louisville, Ky., the largest in point of students in the world. His address, "The Christian's Response to Modern Thought," was scholarly and convincing. He said in part:

"This address will not deal with that phase of thought which is the product of Christ, but with that type of thought which antagonizes Christ. The real thesis of this address will be 'Should a man hold a World View which precludes the Supernatural?' There are two types of world view in vogue. Can we consistently choose one and preclude all others?"

"All world views are the result not of logic but of taste. The universe will yield any sort of philosophy one prefers. We choose our philosophy as we choose our neckties—according to our taste. And yet every one of these views is able to demolish all others because of the assumptions which underlie it. This is because the type phenomenon in each is different. This state leads to mutual disgust among philosophers, and opens the way for pragmatism, the latest arrival on the field."

Final Test of Jesus.

The announcement of Jesus that 'He that will live to do my father's will shall give up the doctrine' is fundamental.

CHANGES IN THE BRITISH CABINET

**CHURCHILL FIRST LORD
OF THE ADMIRALTY**

**McKenna Becomes Home Secretary—Unionists Fear
Out in Navy Plan**

LONDON, Oct. 23.—The British cabinet has undergone an important reconstruction, rumors of which have been in circulation some weeks. Winston Spencer Churchill, home secretary, becomes first lord of the admiralty, while Reginald McKenna lays down the admiralty portfolio to become home secretary.

Earl Carrington, president of the board of agriculture, becomes lord of the privy seal.

C. E. Hobhouse, financial secretary to the treasury, is appointed chancellor of the duchy of Lancaster.

W. Rummenan retires from the presidency of the board of education to become president of the board of agriculture, while the presidency of the board of education has been assumed by J. A. Pease, former chancellor of the duchy of Lancaster.

Sir Edward Strachey, parliament secretary of the board of agriculture, and the Rt. Hon. Albert Thwaites, M. P. for Oldham and deputy speaker for the house of commons have been promoted to the peerage.

With the exception of the exchange of offices by Mr. Churchill and Mr. McKenna, the cabinet shuffle causes little comment. The Unionists express fear that the change will enable the government to reduce the naval estimates, Mr. Churchill being considered one of the economists of the cabinet.

The change, however, is more likely to have due to parliamentary than to political causes. Both ministers have met with the disapproval of the laborites and the extreme radicals. Mr. Churchill by reason of the employment of troops during the strikes and Mr. McKenna because of a recent speech advocating a further increase in the naval expenditure. By exchanging both escape the necessity of replying to their critics.

ENJOYS PAROLE BUT SHORT TIME

**J. R. Walsh, Former Chicago
Banker Recently Out of
Prison, Dies Suddenly**

**FLAY TAFT AND WICKERSHAM
Members Ex-Convict's Family
Charge Death to Delay in
Arranging Liberty**

CHICAGO, Oct. 23.—John R. Walsh, convicted former president of the Chicago National bank, died at his home here today. He lived only nine days to enjoy the liberty of his parole from the federal penitentiary at Leavenworth, Kan., gained by the continuous efforts of family and friends since his incarceration of one year, eight months and 23 days. Death was caused by an inflammation of the muscles of the heart.

The former banker was 54 years old. Members of his family attributed the

JOHN R. WALSH.
From a Photograph Taken the Day He Was Released From the Federal Prison at Leavenworth, Kan.

Immediate cause of his death to his imprisonment, and charged President Taft and Attorney General Wickersham with responsibility in failing to arrange the parole earlier.

They wanted the last ounce of blood," said Orville E. Babcock, son-in-law of Mr. Walsh.

"Who do you mean by they?"

President Taft and Attorney General Wickersham, he replied, "I presented them with statements by Dr. Frank Billings, and Dr. Joseph A. Capp, that Mr. Walsh was dangerously ill, and that further confinement meant his death. They ignored these medical statements, and his death resulted."

(Continued on Page Two.)

Pitman Agrees to Give Wife Custody of Their Children

signing the stipulation presented in yesterday in Peoria by Governor Agent Fred Cook, Robert Pitman given over to Lucinda Pitman, his wife, custody of the children. That means that so far as an is concerned, the full-blooded Pitman, who has been busying himself with his children for the last 10 years, has been taken control.

travel at this time. He will follow with W. B. Holohan within a few days.

The next procedure by the federal officers will be the filing of the petition which asks for the modification of the divorce decree, as agreed to by Pitman, so that Lucinda will have the legal custody of her children. Thereby, says M. W. Pittrell, attorney for Pitman, the hitch in the program outlined by the federal officials.

May Not Get Children.

The fact that Pitman has signed the stipulation, if he has done so, said he, "does not mean that Lucinda Pitman will be given custody of the children. That is not for Pitman to say, nor for the government agents. The court will look into all of the factors attaching to the case and will decide the question of custody as it deems best."

Representatives of Pitman will confer with Mr. Pittrell this morning according to a telegram which he received yesterday afternoon announcing their departure from Peoria.

On the other hand, Attorney Mott, for the Creek nation, looks upon the signing of the stipulation as the end of the whole affair, so far as the recovery of young Robell is concerned. The petition for modification will be filed Friday morning.

Up to Mr. Mott, and he is confident that Judge Morris, before whom the hearing will be held, will grant the relief asked.

When Lucinda Pitman heard the news from Peoria yesterday, all her fears of happiness welled up in her eyes.

"Me happy now, at end," said she. "Me get my babies, Rob, he back he done wrong with my babies, and he give 'em back now. I give Rob much money, all money what was mine what we be together, just for one kind word. Me get him. Me give Rob all money."

(Continued on Page Three.)

CHARLES WHEELER RUN DOWN BY TRAIN; KILLED

Charles Wheeler, of Home, Tex., 23 years old, was struck and almost instantly killed by Santa Fe passenger train No. 2 about a mile beyond Skinner, a station six miles south of this city, yesterday afternoon at 3 o'clock.

Wheeler was walking south on the tracks and evidently did not hear the train approaching and the engine failed to stop before it was too late to stop. Upon a log the man lay dead, his head broken by the wheels of the train, and his body was crushed.

Judging from letters found in his pocket Wheeler was working in or near Calhan. As he was leaving that place he evidently came to Colorado Springs. He was wearing a brand new suit bearing a label of a local merchant. He left his home yesterday, walking south on the Santa Fe. At Skinner he was talking to a man there, leaving his suit to be taken care of. Upon his last trip, he had stopped at the first station south, he said he would go on to El Paso and started off.

His mother at El Paso was notified but no answer had been received last night. It is probable that no answer will be heard.

THE LATE L. R. ENRICH.

with asthma, who was so acute as to induce heart failure.

Mr. Enrich was born in Albany, N. Y., and lived for many years in Colorado Springs, where he became prominent in politics. He was president of the Free Trade League, and wrote several books on economic questions.

Twelve years ago, Louis R. Enrich was a prominent figure in Colorado Springs. He was active in the early development of the Cripple Creek district. Previous to that time the family had lived here a number of years, and the old Enrich residence at 1700 North Cascade avenue was a gathering place for the literary and artistic life of the city. Although engaged in business of the financial world, and yet a man of great wealth, Mr. Enrich cultivated a love for books and fine pictures, and the gallery in the Enrich house probably contained the most valuable collection of pictures in the city.

Mr. Enrich came to Colorado Springs originally from New York, and his children grew up in this city. He was a member of the Enrich-Clayton syndicate, one of the largest concerns operating here during the early days of Cripple Creek. Several of the large promotions of that time in Colorado mining circles were engineered by the syndicate, which maintained extensive connections covering the financial centers of the country. After leaving Colorado Springs, Mr. Enrich returned to New York, and turned his natural taste for art to business purposes. He became an art collector of note and conducted a large studio on Fifth avenue, catering to world celebrities in his new field.

Politically, Mr. Enrich was regarded as a conservative and was pronounced in his gold views during the campaign in the west to make silver the standard of money. His contributions to the political press of the country during that period brought him conspicuously before the public, as did also his utterances on imperialism when the issue was sweeping the country. Mr. Enrich showed a keen interest in civic affairs, and during his residence here was accounted one of Colorado Springs' most progressive and public-spirited citizens.

LOSES FIGHT FOR PATENT ON THE TUNGSTEN LIGHT

WASHINGTON, Oct. 23.—Rejected on the ground of fraud, the J. Allen Hunsay application for patent on the Tungsten light, involving \$5,000,000 and the best of patent and civil proceedings have been disposed of by the patent office. Assistant Patent Commissioner Billings will officially announce the adverse action on the Hunsay claims tomorrow.

Hunsay's home is in York, Pa. His application affected five cases, the failure in all being adverse to him. Of these cases three were applications for amendment of application and all were thrown out on the specific declaration of fraud.

His original application, now dissolved, interfered with the consideration of half a dozen other Tungsten light patent applications and these will not be given official attention.

As a result of charges of fraudulent practices in connection with the work on the claims in the patent office, and the Hunsay application, the patent office and H. E. Everding of Philadelphia, Hunsay's attorney, were sent to the penitentiary and Hunsay sought ineffectually to have the courts enjoin the proceeding by which the commissioner of patents had refused his application.

Spirit of Revolt Spreading Into Northern Part of China

PEKIN, Oct. 23.—The revolutionary spirit is now manifesting itself in the north as well as in the south. Those who heretofore believed the northern provinces might rally around the government are now of the opinion that secessions will follow in rapid succession.

The precautionary measures taken in Manchuria, where the government does not permit mention of the revolution, show the antigovernment spirit is in the far north.

There are prevalent reports that risings have been planned for the next few days in the immediate vicinity of the capital. It may be that these will not be fulfilled, but they indicate a widespread sympathy with the revolt.

The legations have not considered seriously the suggestion of an English paper in Shanghai that the Manchus, when desperate, might endeavor secretly to encourage the ignorant multitude to attack foreigners and thereby attain foreign intervention, which would militate in their favor, they being the only established dynasty.

It is argued that such machinations would prove more dangerous to the Manchus than to anyone else, because it is known that the rebel organization elsewhere is able to restrain its adherents.

The increase in the activity in the press shows relaxation of the censorship. The newspapers publish reports of rebel victories which have not been attained and of government setbacks more serious than have been suffered, and in so doing they are displaying a greater degree of temerity than usual.

General Yin Teh-ang, the war minister, seems to have pushed his troops through the names on the Honan-Hubei border without resistance.

Military Attaches Sent Back

General Yin Teh-ang sent back several military attaches, who attempted to follow the army, although they all possessed passports from the Chinese foreign board.

The British and American attaches left here for Shanghai yesterday, intending to proceed to Hankow up the Yangtze-Kiang.

It is believed that Yin Teh-ang, Manchukuo, desires to give battle, although the half-hearted spirit of his troops may later him. On the other hand, Yuan Shi Kai, Chinese-like, is temporizing with the rebels.

Yuan Shi Kai has refused to leave Chang Tse in the special car which has been sent for him; but there is evidence that he has dispatched trusted adherents of former days as emissaries to the rebel leaders. It is believed he is endeavoring to compromise between the rebels and the throne on the basis of constitutional government.

The foreign customs commissioner at Changsha has telegraphed the imperial general of customs here that the city revolted. The officers were killed and the victory fled. The foreign customs men took refuge in the river boats. It is officially stated that the diplomatic body has informed the Chinese government that it is unable to rely on the subject of Manchukuo, which is so complicated that China had better approach the individual governments direct.

DR. MULLINS GIVES

(Continued from Page One.)

mentally won with pragmatism, and this is the final test of Jesus. Philosophy and science can never satisfy the human soul. Philosophy and science say "law reigns." But Jesus says not law alone, but law and personality reign. The human personality learns the highest and purest truth by experience. The soul cannot live upon abstraction. As the piano is the king of musical instruments, so the conception of Jesus regarding God as Father, is the king conception which warms and saves the soul. This suggests the fact and experience of sin as a constantly recurring and blasting energy. From this Jesus saves us by his life.

Many prominent Baptists are in attendance at the convention which will be in session practically throughout the week. It was estimated last night that there are more than 300 delegates now here and registered. One of the social features of the convention will be a luncheon tomorrow noon at the Phelps care for the Alumni of the Southern Baptist Theological seminary. Dr. Mullins will be the principal speaker. The program for today's sessions, as well as that of the woman's conference, follows:

This Morning.

9:00—Devotional service, Rev. L. H. Coffman, Loveland.

9:30—Paper, Rev. O. P. Jones, Johnson, "The Mystery of the Gentle Church."

9:50—Discussion.

10:10—Reports of committees and general business.

10:30—Address, Rev. D. D. Forward, D. D., Greeley, "The Church and Social Service."

10:50—Discussion.

11:00—Address, Rev. E. T. Mullins, D. D., "The Evidential Value of Christian Experience."

This Afternoon.

2:00—Devotional Service, Rev. J. S. Thomas.

2:30—Address, Rev. W. F. Ripley, Las Animas, "The Pastor's Relation to Our Boards."

2:50—Discussion.

3:10—Symposium, "The Philadelphia Meetings," Stockham, Delta. Dr. A. J. Finch, Denver. Rev. T. S. Young, Denver.

3:40—Paper, Rev. Edwin Seldon, "Divine Healing."

4:10—General business.

This Evening.

The State Convention.

7:30—Praise service, led by Rev. E. G. Lane, Grand Junction.

8:00—Opening of convention. Address of welcome, Rev. James H. Franklin, D. D. Response and president's address by Dr. A. M. Stockham, president.

8:30—Introductory sermon, Rev. George Z. Murphy, Delta.

Appointment of committees. Adjournment.

The woman's conference will be in session only today, in the Y. M. C. A. auditorium. The program follows:

This Morning.

Mrs. W. J. Sly, Presiding.

10:00—Prayer.

Scripture promises.

Address of welcome, Mrs. M. H. Woodsmall.

Response, Mrs. W. J. Sly.

Minutes.

New business.

10:30—"Our Relation to Interdenominational Work in Colorado." Mrs. John C. Farman, assisted by Mrs. L. D. Hobson and others.

11:00—Prayer hour, covenant of prayer, etc., Mrs. F. I. Smith.

This Afternoon.

2:00—Conference on missionary interest among Baptist women.

(1) Why Are There Only 20 per cent of Baptist Women Interested in Missions? Mrs. A. A. Layton.

2:15—(2) The State of Missions Interest in Our Churches.

(a) Of Over Three Hundred Members, Mrs. J. L. Gard.

(b) Of From One Hundred to Three Hundred, Mrs. J. K. Perkins.

(c) Of One Hundred and Over, Mrs. G. C. Cress.

2:40—(3) The Development of Leaders, Mrs. Vaughn.

2:50—(4) When Missionary Interest is Weak, Would a Union Society With Denominational Treasurer Help?

2:55—(5) Is "Missions" Widely Circulated in Our Churches? Are 175 Subscriptions for Helping Hand Enough? Mrs. G. L. Brough.

3:00—Address, Miss Clara Flint.

3:30—Address, Miss Anna Frederickson.

4:00—Are We Conserving the Natural Missionary Interest—(a) Of Children, Mrs. P. E. Bush.

(b) Of Young People, Mrs. E. O. Butler.

(c) Of Teachers, Physicians and College Women? Discussion of each topic. Closing words, Mrs. C. E. Emery.

PREACHER LAUDS
JOHN D. ROCKEFELLER

TARRYTOWN, N. Y., Oct. 23.—The Rev. Dr. Arthur T. Brooks, John D. Rockefeller's thirty-year pastor, is today celebrating the completion of his first year at the Baptist church. Commenting on his relations with the oil magnate, he said:

"Mr. Rockefeller is a man. I don't know him as a millionaire. And I don't know him as one of the great Christian gentlemen I ever met. He is a true democrat. There is not a trace of snobbishness about him. He speaks as kindly to the poorest in our church as to those that have wealth. He is one of the best of the oil ch-

PITMAN AGREES

after other women win him from me, just so me be with my babies all time. But, he know my baby got much money an' send me way to California and Salt Lake. He keep my babies way from me. Me get 'em back now. Me so glad.

To Return to Oklahoma.

It is the purpose of the federal agents, to exact their plans and not checkmated, to return Lucinda Pitman and her children to their former home in Oklahoma. Attorney Mott will ask the Indian agency to allow her \$100 a month from her income to be used for her support, and will ask the \$150 a month for the support of the three children.

"While Lucinda has lost through Pitman something like \$70,000 in royalties paid to her, she still has ample for her support," he said last night. "It is my belief that \$100 a month is all she should be allowed from her

ROBERT PITMAN,
Eight-Year-Old Son of Mrs. Pitman, Whose Fortune of \$250,000 is Said to Have Been Jeopardized by His Father.

royalties as they come in each month, for now that she is penniless, except for the royalties, so far as cash is concerned, she should begin to lay by some money.

"Robert has practically \$200,000 in a bank at Tulsa, Okla., and his royalties are coming in at the rate of \$1,000 a month. This money is put out at 5 per cent interest, and that interest alone, independent of the royalties, would more than suffice to keep him luxuriantly the rest of his life. These two estates are now going to be managed by the government. There's going to be no more opportunity for scheming persons to rob the boy and his mother. It has been done, outrageously so, but this is the end of it all.

"Little Robert's life has been in the greatest of peril for the last two years. That, too, is at an end. The child is delicate at best, but from now on he will be given the very best of care. We are delighted with the turn of affairs, and we consider that part of it closed. Of course, the petition for modification of the decree must now be entered before the matter is finally adjudicated."

If you have young children you have perhaps noticed that disorders of the stomach are their most common ailment. To correct this you will find Chamberlain's Stomach and Liver Tablets excellent. They are easy and pleasant to take, and mild and gentle in effect. For sale by all dealers.

WIRELESS MESSAGE FROM PACIFIC TO WASHINGTON

VALLEJO, CAL., Oct. 23.—The Mare Island wireless station which on September 16 broke the record on this coast by talking with Unalakleet, carried on a conversation with Washington, D. C., early today.

The Mare Island operator heard Key West, Fla., calling Cape Cod, and when Mare Island attempted to call Key West it was answered by Washington. The operators were exchanging weather reports when interference ended the conversation.

Mare Island, talked last year with Key West, 2,700 miles distant.

FORT LEAVENWORTH, Kan., Oct. 23.—A wireless conversation between naval stations at Colon, Panama, and Key West, Fla., was caught here at a small private station maintained by J. O. Mauborgne, first lieutenant, Third Infantry, who is instructor in charge of the army wireless station.

WOULD HOLD RAILROADS LIABLE FOR INJURIES

WASHINGTON, Oct. 23.—The employers' liability and workmen's compensation commission today practically decided to recommend the enactment of a law providing for the insurance of employees of interstate railroads against injury by accident by requiring the roads to make payments for any injury inflicted.

The office of county coroner also is vacated and must be filled by appointment by the mayor.

Other Changes in Duties.

The city engineer takes over the duties of the county surveyor, and the board of supervisors falls heir to the equalization duties of the county commissioners.

The office of county judge is vacated under the ruling and the mayor has the appointive power to fill the vacancy.

A small army of clerks, deputies and other minor employees, who drew pay under the old regime, are out, although many of them doubtless will be retained by the new powers-to-be.

"I am disappointed, of course," said Attorney Hersey, today, "but I can say that this fight is not ended; it is likely to remain in the courts for 30 years. Some of the county officers affected may step down and out without a contest, but others will fight to the last ditch."

The ruling of the Colorado supreme court will not go into effect for 30 days, or until such time as the militia of the supreme court of the United States is received here and the supreme court of the state issues a mandate thereon enforcing its decision of last May.

"I cannot see where there is any possibility of any successful further contest," said G. D. Griffiths, chairman of the chamber of commerce committee that began the suit. "We have won the suit."

"I believe and hope, without any political reasons therefore, that this decision will head off the suggested commission form of government movement, as I believe that under the present charter Denver will be better served under the mayor system than under any possible commission government."

National Conference
Unitarian and Other
Christian Churches

WASHINGTON, Oct. 23.—The national conference of Unitarian and other Christian churches, which opened here this morning, continues its session through Thursday, promises to be one of the most important in the history of the organization, one of the largest religious bodies in the country. Leading clergymen and prominent laymen from all parts of the continent were present at the opening meeting in All Souls church. The other sessions will be held in Memorial Continental hall.

Today was devoted to religious services and the active work of the conference will begin tomorrow. Tomorrow morning's program will include: Address by president, Harney Davis, San Francisco, Cal.; report of the council by the chairman, the Rev. U. C. B. Spencer, at Washington, and addressed by the Rev. Lewis G. Wilson, Boston, Mass.; secretary of the American Unitarian association, the Rev. W. L. Lawrence, Boston, Mass., president of the Unitarian Sunday school society; Miss Emma C. Low, Brooklyn, N. Y., president of the National Alliance of Unitarian Women; the Rev. Dudley Hays Ferrell, Brockton, Mass., president of the National Young People's Religious union; the Rev. A. D. K. Shurtleff, Boston, Mass., secretary Unitarian Temperance society; Cyril H. Burdett, New York, secretary of the Unitarian Laymen's league, and the Rev. S. A. Elliot, D. D., Boston, Mass., representing the international council of Liberal Religious Workers and Thinkers.

The meeting tomorrow afternoon will be under the auspices of the National Young People's Religious union, and it will be followed by a reception to the conference in the Hotel Arlington, under the auspices of the National Alliance of Unitarian Women.

International Peace a Subject.

"International Peace" is the topic for the meeting tomorrow night, and addresses on the subject will be made by the Rev. Edward B. Cummings of Boston; the Rev. Jenkin Lloyd Jones of Chicago; and the Rev. William C. Gannett of Rochester, N. Y. President Taft has been invited to address this session.

A sociological session will be held on Wednesday morning, with the purpose of outlining ways in which the church can be of greater help in adjusting sociological conditions. Addresses will be made by the Rev. Elmer S. Forbes of Boston, Mass.; R. W. Hebbard, secretary New York state board of charities, Albany, N. Y.; Prof. Edward C. Elliott, Madison, Wis.; Mrs. Florence Kelley, secretary National Consumers league, New York; William B. Moulton, president Illinois state civil service commission; Mrs. Anna Garlin Spencer, New York School of Civics and Philanthropy, New York, and Charles B. Hall, Chicago.

Wednesday evening's session will be taken up with the subject "Religion in Education," the speakers being: President C. F. Tawing of Western Reserve university; Prof. F. W. Hopper of Brooklyn Institute, and Frederick Winsor of Concord, Mass.

"The Historical Element in Christianity as a Spiritual Religion" will be discussed Thursday morning by Prof. Francis A. Christie of Meadville Theological seminary, the Rev. Howard N. Brown of Boston and others. "Religion and Current Forms of Mysticism" will be dealt with by the Rev. George B. Dodson of St. Louis, Prof. J. H. Holmes of Swarthmore, Pa., and the members.

The conference will terminate Thursday evening in a meeting with the general topic, "Church Unity." Addresses will be made by the Rev. Samuel A. Elliot of Boston, the Rev. Minot Simons of Cleveland, and the Rev. Samuel M. Crothers of Cambridge, Mass.

RELATIVES COME TO AID OF REV. C. V. T. RICHESON

BOSTON, Oct. 23.—A startling bit of evidence which has been in the hands of the police for several days, but which they have carefully guarded, leaked out tonight and promises to cast additional interest on the case of the Rev. Clarence V. T. Richeson, the Baptist minister, charged with the murder of Avis Linnell.

When the police gave out the statement of William H. Hahn, the Newton druggist, where the Cambridge pastor is alleged to have bought cyanide of potassium, the drug that caused the death of the Linnell girl, they said the pastor had asked Hahn for a poison which "would kill a dog at his home, which was about to give birth to puppies."

Tonight it is stated on authority that Druggist Hahn added another sentence to the conversation he claims to have had with Richeson that the minister also said:

"I want a poison which will kill the puppies without killing the dog."

Druggist Hahn declared, it is said, that he knew of no drug that would do this.

The police attach considerable importance to this version of the conversation.

While the state was collecting its evidence, the Rev. Richeson late today faced two leading members of his church, and declared:

"I am innocent and will prove it when the time comes."

In addition to the statement of Messrs. Grant Edmunds, father of Richeson's fiancée, that the minister would have the best counsel money could secure, further assistance has been promised from his own family. Assurance of support came today from Dr. W. A. Richeson of Amherst, Va., a wealthy uncle, who declared his fortune was at the command of the defense.

Father Expresses Confidence.

LYNNHURST, VA., Oct. 23.—Clarence Richeson, father of the Rev. Clarence Richeson, left his home in Amherst today, for Boston, to consult with his son. Mr. Richeson expressed confidence in his son's innocence and denied that the minister was ever engaged to Miss Avis Linnell.

One of the modern reforms that will come to Turkey under the new regime will be the damming of a lake that will produce about 300,000 horse-power electricity.

Street Boots for Women

HERE is a swing, a style, a dash to the new street boots at the Vorhes Shoe Co. that is not to be found in ordinary shoes.

Better styles, better leathers and better fitting qualities than you will find in ordinary shoes, and our great stock of shoes furnishes an almost unlimited selection of leathers, styles and prices.

News of Local Courts

Judge J. W. Sheaffer of the district court will resume the hearing of testimony today in the case of John Worley against the city of Colorado City, to determine the result of the last election, when the city remained "wet" by one vote. The case is called for 10 o'clock this morning.

P. J. Lopez, the Mexican sheep herder, who was stabbed last week during a fight, was removed from the St. Francis hospital yesterday to the home of his son, Jose Lopez, 125 North Seventh street. He is thought to be past the danger point. Dan Flugli, another Mexican sheep herder, who is accused of the crime, is still at large.

Harry Hagdale entered a plea of not guilty yesterday, when arraigned in the district court on a charge of forgery and cashing a draft for \$50. The Bank of Fountain officials are the complaining witnesses. The alleged forgery is said to have been committed August 20.

William Lyle filed suit in the district court yesterday against the Lake George Development company. He asks \$7,500 damages for the loss of his right

foot, which was amputated last winter following an accident. He was working for the company at the time, he says, engaged in removing ice from the lake. An elevator broke and his foot was caught.

The police are holding two men at the city jail, while an investigation is being made to see if they had anything to do with the robbing of a negro cleaning establishment at 114 East Cucaracha street, Friday night. Two overcoats, a suit of clothes and a pair of trousers are said to have been taken. The police refuse to give the names of the men they are holding.

IOWA PIONEER DEAD

DENNISON, Ia., Oct. 23.—John Dobson, who came to Council Bluffs with Brigham Young and party and who was one of those who there departed from the leadership of the first apostle of the Mormon church, died at his home near here last night.

Dobson, immediately after leaving Council Bluffs, came to Crawford county and was one of the first settlers in this county.

OF WIFE'S DEATH

POPULAR YOUNG COUPLE

ANNOUNCE ENGAGEMENT

Mr. and Mrs. William B. St. John, 2204 North Nevada avenue, announce the engagement of their daughter, Miss Ethel Irene St. John, to Ray B. Shaw, son of Mr. and Mrs. W. H. Shaw, 1338 North Weber street. The wedding will take place Thursday, November 2, at the home of the bride's parents. The Rev. Shannon Garvin, pastor of the First Presbyterian church, will officiate in the presence of near relatives and friends. There will be no attendance.

RAY B. SHAW, Who Will Marry Miss St. John on November 2

Mr. Shaw and his bride will leave immediately after the ceremony for Lethbridge, Alberta, Canada, where Mr. Shaw, who has been one of the office forces of the International Dry Farming congress, will continue that work. He was graduated from Colorado college with the class of 1908 and is well known here. Miss St. John has been with the Western Union Telegraph company at the Anthers and has resided here all her life.

Entertainment Will Be Given by I. T. U.

A free entertainment, consisting of moving pictures, singing, music, and a lecture, was given at Temple theater last night by the International Boot and Shoe Workers union.

The International Typographical union expects to give a similar series of entertainments throughout the country in the near future. Superintendent Charles Deacon of the Printers home is now figuring with four of the largest moving picture companies of the country in an effort to secure the best views of the home for the films. The films will be 1,000 feet long, containing views of the buildings and grounds and other items of interest about the Union Printers home. Mr. Deacon announces that the films will be displayed in every town where there is a typographical union.

COURT RULES KIOWA IS PERMANENT COUNTY SEAT

Judge John W. Sheffer of the district court holds that Kiowa is the permanent county seat of Elbert county and refuses to interfere with the building of a court house at that place. He rendered his decision in an application for injunction filed by Duncan Matheson, who said that Kiowa had never been named the county seat and no authority had been given the county commissioners to build a court house until the county had settled on a permanent place. Elbert county was organized by the legislature in 1874 and Kiowa was made the temporary county seat at that time. No attempt was made to transfer the county seat since that time.

In his decision Judge Sheffer pointed out that the citizens of any county could change the county seat every four years and suggested that if there was going to be a vote taken on the question at the next general election, the county commissioners wait until 1912 before they begin work on the court house.

A stay of execution for 30 days has been granted by the court, in which time Attorney M. W. Enoch intends to prepare a bill of exceptions to take the case to the state supreme court.

Gas Men Will Come Here to See Sights

It is expected that several hundred gas and electric men will be in the city Friday morning to spend two days in sightseeing. C. N. Stangard, president of the National Commercial Gas association, will head the party. The annual convention of the association is being held in Denver, and it is at the conclusion of the convention that the delegates, or most of them, will come to Colorado Springs.

An interesting program for the visitors' entertainment has been arranged. Friday may be given over to business meetings. Saturday morning the party will be taken to the Garden of the Gods, where they will be served with an old-fashioned chuck dinner. Saturday afternoon's program includes a trip up Mt. Manitou and other interesting points in the region. Sunday the party will go to Cripple Creek over the Short Line.

SPOKANE PROGRESSIVES DEMAND SPECIAL SESSION

SPOKANE, Wash., Oct. 22. Spokane's progressive Republicans endorsed today the movement for a special session of the Washington legislature to enact a law giving a vote on presidential preferences. Senator Ponder is to speak at a meeting on Monday at which delegates will be named to a convention proposed for Tacoma, which will demand that Governor Hay call the special session for which petitions are in circulation.

BREAKS A COLD

IN A FEW HOURS

Proves Quinine Is Never Effective in the Cure of a Cold or the Grippe.

Nothing else that you can take will break your cold or end grippe so promptly as a dose of Page's Cold Compound every two hours until three consecutive doses are taken. The most miserable headache, dizziness, head and nose stuffed up, feverishness, sneezing, running of the nose, sore throat, mucous, catarrhal discharges, soreness, stiffness, rheumatism pains and other distress begin to leave after the very first dose. Page's Cold Compound is the result of three years' research at a cost of more than fifty thousand dollars, and contains no quinine, which we have conclusively demonstrated is not effective in the treatment of colds or grippe. Take this harmless compound as directed, with the knowledge that there is no other medicine made anywhere else in the world, which will cure your cold or end grippe misery as promptly and without any other assistance or bad after-effects as a 25-cent package of Page's Cold Compound, which any druggist in the world can supply.

COMMITTEE MAKES REPORT ON BURNO

Not before tomorrow morning's meeting of the city council will Mayor Avery tell of the stand he intends to take in the recommendation by Commissioner Himebaugh, and approval of the committee on municipal affairs, of the chamber of commerce, given Stanley D. Burno, deputy sheriff, for the office of chief of police. The report from the special committee to Mayor Avery was made public yesterday, and is given below.

"I have nothing to say on the proposition at this time, and the public will have to wait until Wednesday before they can get my views," said Mayor Avery. "I would not want to say at this time whether I will accept the position or not," said Burno, "providing it is offered to me."

The report of the committee on municipal affairs is as follows:

Hon. H. F. Avery, Mayor, Colorado Springs, Colo.

Acting upon your request that this committee advise with you with reference to the appointment of Mr. S. D. Burno, the nominee of Commissioner J. A. Himebaugh, as chief of police of the city of Colorado Springs, we desire to report to you our conclusions on this matter.

Our investigations have been governed by the principle, which we believe to be the correct one, that this committee should not put itself in the position of recommending a candidate as to candidates for this position. We believe that it is proper for the Mayor to appoint such person as the Commissioner of Public Safety shall nominate, holding the Commissioner strictly responsible for the conduct of his department. The only justifiable exception to this rule of action, in our opinion, would be the discovery of facts, not mere hearsay allegations, tending to show the candidate unfit for the office. From our investigation, we have been unable to discover any such facts to bring to your attention.

Very truly yours,

THE COMMITTEE ON MUNICIPAL AFFAIRS OF THE COLORADO SPRINGS CHAMBER OF COMMERCE

W. H. SPURGEON, Chairman.

Attest:

A. W. HENDERSON, Secretary.

Societies and Clubs

The Ohio society of the Pikes Peak region will hold the first of a series of winter night meetings at the Y. M. C. A. auditorium tonight. The poets of Ohio will be discussed. All former residents of the Buckeye state are invited.

The Golden Sunshine society of Ivywild will give a sunshine social at the home of Mrs. W. A. Makinney, 109 Cheyenne boulevard, today, at 2:30 o'clock. All Sunshine members and their friends are requested to be present.

The Christian union of the Second Presbyterian church will give a harvest home social this evening in the church. A short program will be given and a thank offering taken. Anyone having fruits or vegetables to donate will kindly take or send them to the church this afternoon. Refreshments will be present.

A HEALTHY, HAPPY OLD AGE

MUSICAL CLUB GIVES DELIGHTFUL PROGRAM

The season of 1911-1912 for the Colorado Springs Musical club was auspiciously inaugurated last night with its first meeting held in the First Methodist church. The church was crowded with the members of the organization and several hundred of their music-loving friends who thoroughly enjoyed this splendid program.

The feature of the program was the fine organ numbers, Sonata in F minor, Mendelssohn, and Fugue in A, Gullmunt, played by Alexander Pirie, organist of St. Stephens' Episcopal church. Mr. Pirie was also at the organ when Mrs. John Speed Tucker interpreted the dramatic soprano solo, "The Cry of Rachel," by Mary Turner Salter.

The president of the club, Willet R. White, stated concisely the work of the Musical club, to disseminate the love of good music by giving their patrons and members the opportunity of hearing it, and of the different kinds of membership. The active members who are capable of interpreting good music for the next class of members, the associate, and the student members, many of whom are pupils of the active members, who for a nominal fee are privileged to attend the recitals given by the club, as well as attend the artist concerts given under the auspices of the club.

A cordial invitation is extended to everyone to attend. The Ladies of the Maccabees of the World will meet in K. F. hall today at 2:30 p. m. There will be initiation.

The Loyal Order of Moose is arranging a mask ball to be given in Temple theater on Halloween. Music will be furnished by the Moose band.

The regular weekly student rehearsal of the Colorado college School of Music will be held this afternoon at 4:30 o'clock in recital hall. The program will include compositions by Scarlatti, Rubinstein, Godard, Chaminade, Nevin, Stavenhagen and Saint Saens. Miss Ethel Smith will give a recital Wednesday evening, assisted by Mr. Vernon G. Clark. The public is invited.

The study class of the art and literature department of the Woman's club meets this afternoon at 3 o'clock with Mrs. Myrtha W. Morrison at her bungalow near the upper platform at Stratton park.

Members and friends of the Woman's Educational society of Colorado college were the guests of the president, Mrs. William F. Slocum, yesterday afternoon, at a tea given in Bemis hall from 4 until 6 o'clock. Mrs. Slocum made a few remarks explanatory of the aims of the society and Mrs. Frederick A. Faust, pianist, and Mrs. George M. Howe, violinist, played several selections.

There will be a stated convocation of Colorado Springs chapter No. 6, R. A. M., tonight at 7:30 o'clock in Masonic temple.

A Halloween party will be given the O. E. S. club at the home of Mrs. Reasoner, 116 Washington street, tomorrow evening. Mrs. Reasoner will be assisted by Mrs. Parker, Mrs. Siegel, Mrs. Boggs and Miss Johns.

Here is a woman who speaks from personal knowledge and long experience, viz. Mrs. P. H. Brogan, of Wilson, Pa., who says, "I know from experience that Chamberlain's Cough Remedy is far superior to any other. For cough there is nothing that excels it." For sale by all dealers.

DERN'S COFFEE VILL

Freshly Roasted Coffee

Fresh New Teas

YOU can't make smooth, sweet tea with old leaves. They are bound to get weak with age and unsatisfactory.

On the contrary, tea made from fresh, new-crop leaves makes a delicious, smooth beverage—delicate and "just strong enough."

And this later, is the way with DERN'S tea. Our buyer sends them directly to us from the best plantations of Japan and Ceylon. The leaves are fresh, strong and clean. Always the best, always the newest-crop.

Use DERN'S fresh teas: A pound, 60c, 80c, \$1.00.

NEWS AND VIEWS FOR SPORTSMEN

OLD TIMERS GATHER TO SEE GIANTS AND ATHLETICS IN CONTEST AT PHILADELPHIA

By TIM MURNANE.
PHILADELPHIA, Oct. 23.—I met a number of old-time players and managers during the last 10 days at the big ball show. The 1911 world's series, which the boys are great change to see together, at least the prospect of it. The fact that half the games are played in New York is enough to make the boys take in the series. Though New York is a poor place to see the old-timers at any central place, as the hotels are scattered over a wide area, and the men who are here to take in the games have time to spend around the national mission headquarters in the Waldorf building.

Here August Herrmann and his Cincinnati friends are quartered, with the St. Thomas Conigan as the bright dealer star. Mr. Conigan was a ball player back in the days of the Cincinnati Reds, and he is now a manager. Mr. Conigan has a fine showing of his old-time friends, and he is still a great admirer of the sport and a stockholder in Mr. Conigan's Cincinnati club.

Mr. Conigan is a fine fellow, and he is still a great admirer of the sport and a stockholder in Mr. Conigan's Cincinnati club. He is a fine fellow, and he is still a great admirer of the sport and a stockholder in Mr. Conigan's Cincinnati club.

TIGERS TIRED BUT NOT DISCOURAGED

"We bit off too much for our mouths, but we're ready for another one today."

This is what one of the members of the Tigers football team had to say of their recent journey to Wisconsin, following their return home last evening.

The fact is that every member of the team is in good shape, although a little tired as a result of the long journey overland. A big bunch of Colorado college followers were at the railroad station last evening when the train arrived, and gave the warriors a big, warm welcome.

"We all did our best, and that is all that can be said," the same player continued. "They outwitted us, but that didn't hinder us from continually kicking the line and giving them all we had in the best way we could."

COSTER LASTS FIVE ROUNDS

NEW YORK, Oct. 23.—Patsy Kline, New Jersey featherweight, knocked out Joe Coster of Brooklyn, with a right to the jaw in the fifth round of a scheduled 10-round bout here tonight. Kline carried the fighting to Coster from the first round, putting the Brooklynite to the floor for nine seconds in the first round.

BOWLING CONTEST

A total of 340 points separated team No. 1 and team No. 2 of the Florists and Gardner's clubs, favoring the former, in their match at the Overland bowling alley, last night. The team of team No. 1 made the best showing of the evening, with a total of 481 for three games. He bowled 135, the high mark, in one game. Here are the scores:

TEAM NO. 1	1st	2d	3d
Sauerwald	181	131	125
Mesley	105	117	105
Hayden	101	105	130
Ed Johnson	113	106	189
H. Johnson	88	85	112
Bierman	142	124	134
Beckman	125	143	143
Moren	104	104	142
Totals	995	1092	1019

TEAM NO. 2	1st	2d	3d
Douglas	126	117	108
Berry	135	111	115
Rush	127	105	101
Smith	69	91	118
Wolf	88	104	75
Monahan	110	105	154
Siesenger	103	107	84
Crump	106	111	122
Langman	113	113	112
Totals	885	820	889

A WANT AD IN THE GAZETTE BRINGS RESULTS.

CALLAHAN TO HAVE CHARGE IN CHICAGO

CHICAGO, Oct. 23.—James J. Callahan, who played left field for the Chicago Americans during the season just closed, will manage the club next year.

Hugh Duffy, who managed the team this year, declined to renew his contract. According to statements by Duffy's associates, it is probable that he will manage the Des Moines club of the Western league in 1912.

BELMONT WILL KEEP HIS STABLES ON THIS SIDE

LEXINGTON, Ky., Oct. 23.—August Belmont, chairman of the New York Jockey club, today denied recent reports that he intended to quit racing in America and ship his horses to England, and start a breeding establishment in one of those countries.

BURNS GETS DECISION

NEW ORLEANS, Oct. 23.—Frank Burns of Jersey City was awarded a clear-cut decision over Monte Atien of San Francisco in a fast 10-round bout here tonight. The sporting writers were unanimous in their ballot.

DISASTROUS YEAR FOR MANY MINOR LEAGUES; ARGUES FOR SHORTER BASEBALL SEASONS

By HAROLD D. JOHNSON.

CHICAGO, Oct. 23.—More than one bank account was badly hurt in baseball ventures this season. Would it be best in the future to cut down a dollar in the minor and high leagues, with the hope of the National league has worked hardships on the club owners of two major leagues, hindered the starting of the world's series, disappointed thousands and thousands of red-blooded fans, and, according to dispatches from the East, where the baseball makers are now assembled, resulted in the tripling of an iron-clad resolution favoring the conclusion of future championship seasons on or before October 6.

Incident weather, one of the chief obstacles confronting the managers each fall during the playing of the world's series, has cut in deeply on the coffers of the New York and Philadelphia clubs now contending for the highest honor in baseball. The series, starting a week ago, is still in abeyance, rain and wet grounds having driven the athletes to cover. Meanwhile, Wednesday, Thursday, Friday, Saturday and yesterday. Hence the series will have been flagged for six days even while the expenses are footing up, knowing heavier with each passing day.

Local followers of the game in the main are agreed with President E. B. Johnson of the American league that the playing season should end early in October. Three National league managers, Messrs. Murphy of Chicago, Brush of New York, and Elders of Brooklyn, take another view, holding out for the longer schedule. Had all the powers agreed upon the shorter season the Cubs and Sox might have settled their little dispute October 14 or 15, and the world's series would now have been a matter of history.

Moreover, the managers controlling the clubs thus engaged in post-season games would have been spared considerable expense for the athletes engaged in these post-season contests receive overtime salary from their clubs in addition to cutting in on the prize money.

President Comiskey Friday passed out "overtime money" amounting to \$2,000, while President Murphy of the Cubs was compelled to pay a like amount, the regular season's contracts having expired October 15.

A study of conditions in the minor leagues reveals a startling list of casualties for the year. In fact, such a list of financial disasters in the minors present this year probably is unparalleled in all the previous seasons of baseball.

Following is a few of these "smashes," showing that misfortune was not confined to any particular section of the country.

Western league—Wichita club transferred to Pueblo; Des Moines club kept on the road for six weeks because of lack of support at home.

Southern league—Mobile's closing series transferred because of poor attendance.

Tristate—Shifts in schedule because of poor support accorded certain clubs.

New York—Shutouts in schedule for same reasons that afflicted the Tristate.

Central—Grand Rapids transferred.

Teams Prepare for Game; Sun Out Yesterday

PHILADELPHIA, Oct. 23.—After it had been postponed for the fifth time, there is every indication tonight that the fourth game of the world's championship series between the Giants and the Athletics will be played tomorrow at Shibe park.

The sun shone brightly all day and put the playing field in fairly good condition. The diamond is in far better shape than the outfield, but a liberal use of huge sponges by a score of men partially cleared the outfield.

Both teams took advantage of the pleasant weather to prepare for what is thought will be one of the most bitterly fought games of the series. Manager Mack had his men on the diamond at Shibe park for fully two hours, principally at the bat. With Danforth, Martin and Combs serving up the benders, the players took their regular turns at batting. Baker, the sensation of the two victories scored by the Athletics, was the star in today's batting machine.

In five times at bat he thrice drove the ball into the enclosure between the temporary low wooden fence and the right field wall, and later sent the ball over the right field fence.

Bender and Plank warmed up with Thomas and Lapp on the receiving end. When the batting practice had nearly concluded, Mack sent Combs to bat to pitch to Lapp.

Manager McGraw had his Giants out for a lengthy practice at the National league grounds. He followed practically the same line of play adopted by Mack. With Ames, Crandall and Willis, pitching the New York players got in some fine batting practice.

Mathewson and Marquand warmed up with Chief Meyers. Both of the National league stars seemed to be in splendid shape. Mathewson did not attempt to use all his speed, but occasionally would start a fast one over. While neither Mack nor McGraw would state positively tonight who would be his pitching selections for the fourth game, it is reasonably sure that Bender and Mathewson will occupy the points. The Athletics are for a "crash day."

COMMISSION WARNS MCGRAW OF GIANTS

PHILADELPHIA, Pa., Oct. 23.—John McGraw is very angry with the national commission. He was notified by the N. C. yesterday that he must cut out his rough talk or that he will be soaked with a heavy fine and suspension.

During Tuesday's game "Mugsy" directed his biting shafts toward a box occupied by the national commission. He kept on insisting that Umpire Connolly was a brother-in-law of Combs Mack's and he threatened that the N. C. was in on the deal he (McGraw) was receiving.

Fred Merkle, who objected to being called out at second in Tuesday's game, was fined \$100 by the N. C. and tonight he rambled about not paying the fine. But he will. The N. C. has notified Mr. Merkle to kick in 100 seeds before putting on that black uniform again. It's a lot of money, but you can't monkey with baseball's supreme court.

And he says this is a costly affair. "Babe" Johnson and Garry Herrmann are heavy eaters and one look at a N. C. dinner check is enough to make Russell Sage turn over in his grave. The N. C. "bit" won't be more than \$25,000 for this series and a few more postponements will cause a deficit.

VICTOR TEAM TO PLAY HIGH SCHOOL TERRORS

The Victor High school football team is coming to Colorado Springs Saturday to carry out their engagement with Coach Coffin's Terrors. The Colorado Springs High school second team will journey to Cripple Creek the same day to play the High school team of that city.

WHITE BESTS DRISCOLL

MEMPHIS, Oct. 23.—Charles White of Chicago was awarded the decision over Boyd Driscoll of England, at the end of their eight-round bout here tonight.

It was White's fight from the start. In the second round he drove the Englishman to the ropes several times and the bell probably prevented a knock-out. Driscoll came back strong in the third and fought gamely. Driscoll's face and head were badly bruised. White was unmarked.

It is reported by a Canadian agency that English and Scotch capital in Toronto is buying between \$2,000,000 and \$3,000,000 worth of farming lands close to Toronto with a view to bringing immigrants from Great Britain for the purpose of developing market gardening. The property will be divided into farms of 10 to 50 acres and the farms will be sold or rented to the immigrants as they may prefer. A good electric car service will be put through the district and a first-class storage system will also be inaugurated.

THERE ARE REASONS WHY "FRANKLIN" MOTOR CARS SATISFY

(AIR COOLED)

BECAUSE

They are the VERY BEST material and workmanship
There are NO complicated WATER cooling devices
They are LIGHT and consequently EASY on tires
The SPRINGS are full elliptic and EASY riding
They go FARTHER on GASOLINE and OIL per horsepower
They cost LESS to MAINTAIN than any COMPETITIVE cars

WE CAN PROVE IT

CRIPPLE CREEK MINES

Special to The Gazette.
CRIPPLE CREEK, Oct. 23.—High-
level work for the new shaft deep
Drainage tunnel has been attained
through the cutting of a minor course
of the tunnel by yesterday's work, and
Supt. Charles H. Fuller estimates the
flow in excess of 8,000 gallons a minute.
Since work was resumed on October
7 the bore has been advanced approxi-
mately 150 feet, the daily gain averag-
ing 3 1/2 feet, and with each round of
shots the flow has increased. The
tunnel has passed through the
phenolite plug, intrusive in the Pike
Peak granite, and at this depth the
phenolite mass was 40 feet across. At
or near surface the phenolite plug,
elliptical in form, was 150 feet wide;
the lower slopes are granite and the
base of the tunnel has now passed
about 100 feet into the granite. The
miners are working under difficulty
and frequently it is not possible to
shoot more than one hole at a time. Those
in charge will continue to carry the
heading forward and express con-
fidence that more water will be
tapped, as no strong vein of water has
been encountered.

Old Gold Mines.
The plant at the main shaft on the
Old Gold Mines company's Beacon hill
estate has been steamed up by the
Hannawald brothers of Leadville, and
active operations underground have
commenced. For the present operations
will be confined to the exploitation of
the old workings, but it is proposed to
sink the shaft as the water level low-
ers. The present depth of the Old
Gold shaft is 450 feet.

G. K. & N.
Four cars have been shipped this
month from the C. K. and N. mine on
Beacon hill, the ore having been mined
in the fifth and sixth levels. The C. K.
and N. shaft is 800 feet deep and the
water has lowered so as to permit of
operations in the seventh and eighth
levels, the last carried out at a depth
of 675 feet. Supt. Charles H. Fuller
has eight machine drills at work open-
ing up the mine, and with the eighth
level accessible, the ore bodies exposed
before the mine was flooded will again
be worked.

Loneconing El Paso Co.
The El Paso Consolidated Gold Min-
ing company will install a steam hoist
and boiler at the Loneconing shaft on
the western slope of Beacon hill, and
the mine will be blocked out for leas-
ing purposes.
Contractors Lund and Stream re-
sumed work sinking the Nicholls or El
Paso No. 2 shaft Monday. The shaft,
now about 700 feet deep, will be carried
down to water level.

Conundrum Leases Ship.
Two teams were engaged Monday
loading out a two-car shipment from the
Conundrum mine on the western
slope of Gold hill. The property,
owned by the Anchorita-Leiland Gold
Mining company, is active under lease
to Miller & McDonald.
By mining deep for record with
the county clerk, Mary A. Bradford has
conveyed to Miller & Porter an un-
divided one-half interest in the land-
lighter lot mining claim in this dis-
trict. The consideration named was
"\$10 and other valuable considerations."

A Significant Fact

No other medicine for woman's ills has any such professional endorsement as Dr. Pierce's Favorite Prescription has received; in the unqualified recommendation of each of its several ingredients by scores of leading medical men of all the schools of practice. To such an endorsement not worthy of your consideration? Is it not a significant fact too that

Dr. Pierce's Favorite Prescription

is the only medicine sold through druggist, for woman's peculiar weak-
nesses and ills, the make, of which are not afraid to print its every in-
redient on its outside wrapper? Is this not worthy of your consideration
if you are a poor sick invalid woman?

The formula of Dr. Pierce's Favorite Prescription will bear the most critical examination of medical ex-
perts, for it contains no alcohol, narcotics, harmful, or habit-forming drugs, and no agent enters into it
that is not highly recommended by the most advanced and leading medical teachers and authorities of their
several schools of practice. These authorities recommend the ingredients of Dr. Pierce's Favorite Prescrip-
tion for the cure of exactly the same ailments for which this world-famed medicine is advised.

A booklet of ingredients, with numerous authoritative professional endorsements by the leading medical
authorities of this country, will be mailed free to any one sending name and address with request for same.
Address: World's Dispensary Medical Association, Dr. R. V. Pierce, President, Buffalo, N. Y.

It's foolish—often dangerous to accept a substitute of unknown composition in place of this time-tried
medicine of known composition. Don't do it. Insist on getting what you ask for.

NEW YORK MARKET CHICAGO MARKET

NEW YORK, Oct. 23.—Prices barely
moved through most of today's ses-
sion on the stock exchange. The mar-
ket was dull and in most cases the
absence of any inducements for specu-
lative operations, trading was light.
London sent over a somewhat lower
range of prices before the opening, and
this fact, coupled with moderate pres-
sure from professional traders, caused
slight recessions in the early trading.
The market rallied briskly and held
firm until shortly before the close,
when a final drive eliminated most of
the modest gains which had been made.
Heading showed the greatest strength
of any of the leading stocks. Chesapeake
& Ohio recovered part of the loss
which it sustained last week upon
publication of an unfavorable annual
report, and Norfolk & Western also
moved upward.
United States Steel was again the
most active and displayed effective
resistance to bear attacks. The day's
trade reports indicated that incoming
orders were smaller than a week ago,
notwithstanding the fact that the
products are at almost the lowest level
of a decade.
Perhaps the most significant events
of the day was the announcement that
a large part of a \$20,000,000 loan for
the Prussian government was to be
placed here in the form of 4 1/2 per cent.
six month treasury bills. As com-
pared with the rate of payment on the
Prussian loan, funds for six months
were quoted here today at 3 1/2 per cent.
A moderate increase was reported in
the mercantile demand for money,
both locally and in the interior. For-
eign exchange rates held steady.
The bond market was quiet and in-
regular. Total sales, par value, \$2-
100,000. United States bonds were un-
changed on call.
Quotations Furnished by Oils & Hough.

CHICAGO, Oct. 23.—Wheat prices to-
day felt the pressure of sales by large
owners, and for the first time in near-
ly a week suffered a material setback.
The close was at a decline of 1/4¢ to
1/2¢ net. The end of trading left corn
1/2¢ to 1/4¢ lower, oats, down 1/4¢ to
1/2¢, and hog products, 1/4¢ to 1/2¢ decline.
Investment demand for wheat
showed much less snap than at any
time since the recent hedge began. For
the cash article, in particular, the de-
mand was decidedly slim. World
shipments were larger than expected,
northwest receipts were heavy, the
weather in that direction improving,
and there was a big increase of the
United States visible supply. Italic
took place from time to time, but
broadly considered, the market was in
a state of decline from the start. One
of the features was a widening of the
December-May difference, certain in-
terests selling the near and buying the
deferred options.
The December option fluctuated from
\$1.01 1/2 to \$1.02 1/2, with the close steady
at \$1.01 1/2. A decline of 1/4¢, com-
pared with Saturday night.
Colder and clearing weather fol-
lowing the recent rains, led the corn
crowd to change from the general bull-
ish sentiment of last week. Decem-
ber ranged from 55 1/2¢, closing unset-
tled, 1/4¢ net lower, at 55 1/2¢. Cash
corn, 1/4¢ to 1/2¢ lower, at 55 1/2¢. No. 2 yellow
was quoted at 76 1/2¢.

Doughnuts and Cider

Halloween Parties, to be complete, should have a generous supply of **BURGESS DOUGH-NUTS** and Sweet Cider.

We have some new cider, made in Colorado from Colorado apples, and it has just the right tang.

Our doughnuts are so good that we can hardly fill our orders. You'll be delighted with them.

Let us send up some of our delicious, shiny apples, too. They are the best in the market.

WORK RESUMED ON CURBING AND GUTTERS

Work was resumed yesterday morning on the cement curbing and gutters in the paving district, preparatory to starting the main work. A Smith has the subcontract for the curbing and gutter work. His employees were not able to work the latter part of last week on account of cold weather.

CITY DEPARTMENTS ASKING MORE MONEY

Almost every city department is asking for an increased appropriation next year for the carrying on of city work. The heads of each department and the city commissioners are busy preparing the estimates, for presentation before November 5. The city will have an increased revenue of about \$35,000 for the year, according to present estimate.
